//About Developer solving technical and human challenges by focusing on the interaction between technology, user experience, and data.

//Skills HTML5 • CSS3 • Bootstrap • JavaScript: JQuery, Angular, Express, React, Node.js • Ruby: Ruby on Rails, Sinatra • Databases: PostgreSQL, MongoDB • Version Control: Git, Github • Design: Photoshop, Illustrator, InDesign

//Relevant Experience

General Assembly, Student 9/16 - 12/16

Immersive 3 month course study in front and back-end development, covering best practices in Object-Oriented Programming, MVC frameworks, and user experience. Projects include:

Stock Alerts: MEAN stack app that allows users to generate custom stock alerts, with realtime data pulled from the Yahoo Finance API. User authentication allows stock picks to be stored securely on the database.

Showspace: Ruby on Rails calendar app that lists upcoming music events and artist pages. Artists, shows, and performances are managed with a PostgreSQL database.

//Work Experience

Freelance, Consultant 3/12 - present

- Work with nonprofits, startups, and small businesses to outline financial challenges facing their organization, designing roadmaps, crafting budgets, and producing financial reports.
- Accounting and budget planning for VC-funded tech startup.
- Work with individuals to assess financial priorities and present options for managing their loans and investments.

Dan Deacon, Project/Tour Manager 9/12 - 9/16

- Managed budget for an internationally recognized touring musician's small business.
- Created databases for merchandise, ticket sales, and expenditures.
- Coordinated logistics for two six-week national tours and numerous one-off performances.
- Managed a team of eight crew members.
- Rolled out several product lines for e-commerce and in-person sales.
- Managed website and mailing list content.

Wham City Lights, Client Production Liaison 2/13 - 2/15

- Designed UX for client onboarding for a SaaS startup
- Coordinated technical needs for experimental audiovisual tech used by corporate clients (Disney Music Awards, Mary Kay, America's Got Talent, Cisco, Budweiser).
